

Greetings from the "Cultural Center of the Universe" - Camden, Delaware! I hope all is well in your world. Here is the [July 2025 Edition](#) of "FUN STUFF" from KC:

1. **LITERATURE TRIVIA.** Please click [HERE \(JULY 2025 LITERATURE QUIZ\)](#) to check out this fun 5-question Literature Quiz. Good luck!
2. **DID YOU KNOW** that James Joyce preferred writing while lying down on his stomach. He used large blue pencils and wore a white coat while writing. All of those habits, however, weren't the result of weirdness. Most of them were due to his poor eyesight. Large pencils allowed him to see what he was writing, while the coat reflected more light on a page.
3. **MONTHLY BOOK RECOMMENDATION:** Broken Pieces, a Memoir by Reedy Gibbs. Click [AMAZON LINK HERE](#)
Here's a review: "Wow! Such a wonderful read the author Reedy the way she writes you really feel the feels smell the smells and can picture exactly what it would look like. Great story such an interesting life. The only bad part was when it was over I wanted more, bravo Reedy!!"
